

PRO-FIT COOL

Liquid detergent

Application

- Main wash detergent for all fabrics.
- For coloured and white fabrics.
- Can be used for all wash and machine systems in all water hardnesses.
- Suitable for automatic dosing.

Properties

- Low alkaline and mild product that is based on surfactants, sequestrants and dispersants.
- For washing of coloured and white fabrics, from 30°C to 60°C.
- The buffering properties of Pro-Fit Cool makes the product especially suitable for use in combination with Pro-Fit Crystal peracid bleach.
- Pleasant and long sustaining perfume.
