

Ozerna Bright Green

Alkaline all-purpose detergent with optical brightener

PROPERTIES:

- based on renewable raw materials
- outstanding fat and protein dissolving power
- excellent washing performance with low dosage
- highly effective even at temperatures of 40 °C
- excellent dermatological compatibility of the washed textiles (cytotoxicity test according to DIN EN ISO 10993-5)
- phosphorus-free
- ideal also for unfavourable water qualities
- EU Ecolabel tested
- Part of the EU Ecolabel approved Ozerna ECO System

APPLICATION:

Ozerna Bright Green is an alkaline all-purpose detergent with optical brightener plus outstanding fat and protein dissolving power. Based on a mixture of active ingredients made exclusively from natural, renewable raw materials, it achieves cleaning results that were previously only possible with conventional alkaline detergents.

Ozerna Bright Green emulsifies dirt from a wash time of just 8 minutes. Thanks to its special surfactant combinations, Ozerna Bright Green ensures high dirt removal even when the water quality is unfavourable water.

Ozerna ECO System:

As all-purpose detergent, Ozerna Bright Green is part of the EU Ecolabel approved Ozerna ECO System. Please refer to the product information on the Ozerna ECO System for the dosage and washing recommendations to be applied to meet environmental criteria.

TECHNICAL DATA:

Density [20°C]	1.25 g/ cm
pH value [1%]	12 - 13

For commercial use only. This leaflet is for information purposes and is non-binding. The information is based on our current knowledge and experience. In all cases, the user is obliged to carry out his own checks and tests on the suitability of the products for the intended processes and purposes. We reserve the right to make technical changes within reasonable limits. The corresponding EU safety data sheet in its current version must also be complied with.

**DOSING
RECOMMENDATIONS:**
ml (g)/kg laundry

Water hardness*	Light soiling	Medium soiling	Heavy soiling
0 – 8.4 soft	3 (3.8)	4 (5.0)	6 (7.5)
8.4 – 14 medium	4 (5.0)	5 (6.3)	7 (8.8)
> 14 hard	6 (7.5)	7 (8.8)	8 (10.0)

*You can find out the degree of hardness or water hardness in degrees of German hardness from your local waterworks.

NOTES:

Storage: Store in a dry place, protected from frost. The container should be resealed after removing partial quantities. The product can be stored for at least 24 months in the sealed original container.

The amount of product used must be adapted to the degree of soiling and the water hardness.

Due to the natural substances used, there may be a visible dark cloudiness in the lower part of the container. This cloudiness does not have any effect on the washing performance of the product.
