

# Ozerna Colour Green

Liquid detergent for delicates and coloured clothes

**PROPERTIES:**

- outstanding fat and protein dissolving power
- excellent washing performance with low dosage
- highly effective even at temperatures of 40 °C
- excellent dermatological compatibility of the washed textiles (cytotoxicity test according to DIN EN ISO 10993-5)
- free from optical brighteners, bleach and phosphorus
- unscented
- ideal also for unfavourable water qualities
- EU Ecolabel tested

**APPLICATION:**

Ozerna Colour Green is a highly effective liquid colour detergent for the professional care of washable outerwear, sportswear and linen from the hotel and catering industry. As a detergent suitable for delicates and coloured clothes, Ozerna Colour Green has outstanding fat and protein dissolving properties. Dirt is effectively emulsified after a washing time of only 10 minutes, allowing it to be rinsed out easily afterwards. Thanks to its special surfactant combinations, Ozerna Colour Green ensures high dirt removal even when the water quality is unfavourable water.

**TECHNICAL DATA:**

Density [20°C] 1.09 g/ cm<sup>3</sup>  
 pH value [1%] 8 - 9

**DOSING RECOMMENDATIONS:**  
 ml (g)/kg laundry

Water hardness*	Light soiling	Medium soiling	Heavy soiling
0 – 8.4 soft	3 (3.3)	4 (4.4)	6 (6.5)
8.4 – 14 medium	4 (4.4)	5 (5.5)	7 (7.6)
> 14 hard	6 (6.5)	7 (7.6)	8 (8.7)

\*You can find out the degree of hardness or water hardness in degrees of German hardness from your local waterworks.

For commercial use only. This leaflet is for information purposes and is non-binding. The information is based on our current knowledge and experience. In all cases, the user is obliged to carry out his own checks and tests on the suitability of the products for the intended processes and purposes. The information in this leaflet does not constitute a guarantee for the quality and durability of the goods to be supplied by us. We reserve the right to make technical changes within reasonable limits. The corresponding EU safety data sheet in its current version must also be complied with.

**NOTES:**

*Storage:* Store in a dry place, protected from frost. The container should be resealed after removing partial quantities. The product can be stored for at least 24 months in the sealed original container.

The amount of product used must be adapted to the degree of soiling and the water hardness.

Due to the natural substances used, there may be a visible dark cloudiness in the lower part of the container. This cloudiness does not have any effect on the washing performance of the product.
