

Safe. Simple. Effective.

Fairy Professional Non Bio Pods

Liquid Tabs – Laundry detergent.

Use Fairy Professional

...for outstanding business results

Safe

- From market leading brand Fairy.
- It cleans deep down, lift off stains while being gentle to sensitive skin.
- A “green guarantee” product for safe and sustainable cleaning.

Simple

- Outstanding results in 1 wash without pre-washing or pre-soaking.

Effective

- The innovative film dissolves completely in contact with water to release the powerful technologies to deliver outstanding cleaning results while being gentle to sensitive skin, with just the right amount of detergent.
- Effective as low as 20°C.

★★★★★ Satisfy your guests

Cleanliness is proved to have a direct impact on ratings & reviews and help you generate incremental business.

Save time & money

Fairy Non Bio Pods has a direct impact on your total operating cost (linen replacement frequency, water/energy use...) helping you save money on your core business.

Help your staff

Each Fairy Non Bio Pods is pre-dosed, so there's no need to measure and pour. Therefore, it saves the effort and time to your staff who doesn't need to bring special care to difficult stains anymore.

every **experience** counts.™

Technical information

Research & Development Corner

Fairy Professional Non Bio Pods leaves clothes clean and feeling gentle next to precious skin. That is because Fairy Professional Non Bio Pods contains natural ingredients that are designed to work in harmony with your skin to soften fabrics.

Dermatologically tested, Fairy Professional Non Bio Pods range has been awarded the **Skin Health Alliance** seal. Independent tests have confirmed that clothes washed in Fairy are as kind next to skin as clothes washed in water alone. The ideal way to leave clothes clean, fresh and soft even next to delicate skin.

Safety Instructions

Please make sure your employees read and understood the product label and your COSHH assessment (Chemical Risk Assessment in EU) before using this product. The label contains directions for use and both label and SDS contain hazard warnings, precautionary statements, first aid procedures and storage information. SDS are available on-line at our website www.pgpro-msds.com or can be provided to you via the call center.

Usage & Dosing Instructions

Adjust the dosage according to your local water hardness and the soil level of your laundry items as recommended in the dosing instructions. For optimal performance results, place first the Pods / Power capsules in the drum towards the back before putting the load on top to maximize solubility.
